PROBATION SERVICE MAKES CHARITY DONATION

This Christmas, instead of sending official company Christmas cards, Cheshire Probation Area donated money to charity.

Staff were invited to suggest charities to benefit from this practice and as a result, £500 was donated to Cancer Research UK.

Cancer Research UK carries out world-class research to improve understanding of cancer and to find out how best to prevent, diagnose and treat different kinds of cancer. The findings are used to improve the lives of all cancer patients.
